Dear Prospective Adoptive Parent(s),

Thank you for choosing Heart of Adoptions, Inc. to complete your adoption home study. We are pleased to share in your expectations for a successful adoption. Heart of Adoptions, Inc. is a full service, licensed adoption agency located in the state of Florida. It is our goal to provide professional and quality adoption services to families hoping to build their family through adoption. Some of the services we provide adoptive families include:

- Home Studies
- Post- Placement Supervision
- Adoption Placement Services
- Interstate Compact Services
- Counseling
- Adoption Education
- Experienced Staff

We understand that adopting a child can be overwhelming and emotionally challenging at times. Our knowledgeable staff is available to walk you step by step through the adoption process as you complete the necessary forms for your home study. One of our highly trained caseworkers will complete your home study and after your child comes home, we will provide any legally required post placement supervision visits to ensure that you and your new child are doing well and assist with any needs. Your caseworker will provide you with guidance and support, as well as referrals for any additional services that your family may request.

To begin the homestudy process, please complete the registration form at the bottom of the “Hoping to Adopt” page and check the option for “Home Study Only” (link is below) where you will then receive your login and password directly from My Adoption Portal (also referred to as: MAP). <https://www.heartofadoptions.com/hoping-to-adopt/> If you receive an error message when you attempt to log in and/or register, stating you already have an account please use your email address and the password “adopt1” (all lowercase, no spaces, and without the quotes) but you should change the password once you get into the program to begin everything. If you have any problems with this please reach out to the agency to assist you.

Our fee is \$1,400, plus travel. Travel fees begin at \$50 per visit and this payment should be included when you submit the payment for the home study. Please refer to the Domestic Home Study Agreement in MAP to determine what the travel fee would be according to your location.
